Chief Dennis Stevenson  
Moss Point Police Department

**Dear Chief Stevenson,**

Congratulations on your appointment as Chief of Police for the City of Moss Point. This is a well-deserved honor, and I extend my sincere congratulations and best wishes as you assume this important leadership role.

I am confident that under your leadership, Moss Point will continue to be a safe place to live, work, and visit. Public safety is closely tied to the broader health of our city. A strong, trusted police department supports tourism, economic development, and neighborhood stability—each of which is essential to Moss Point's future. Your leadership will have a lasting impact across every sector of our community.

Strong partnerships between law enforcement, schools, neighborhoods, faith leaders, and local businesses are vital to achieving these shared goals. The safety of our students, the strength of our neighborhoods, and the success of our local businesses are priorities we all share, and I believe we are united in our commitment to building a safer, stronger Moss Point together.

Please know that you do not step into this role alone. Moss Point is located within Mississippi's 110<sup>th</sup> House District, and my office stands ready to support you and the Moss Point Police Department in any way possible. We value collaboration with law enforcement and remain committed to being a partner and a resource as you lead. Should challenges arise, or opportunities present themselves to better serve our constituents, my office is here to assist and to advocate alongside you.

I wish you continued success as you begin this new chapter of service, and I look forward to working together for the betterment of Moss Point and the people we serve.

Yours in Service,

Jeramey D. Anderson  
State Representative – House District 110  
Mississippi House of Representatives
